

North of England Dobermann Club Championship Show
Saturday 24th June 2017
Judge - Mrs Diane Rock (Mansty)

Many thanks to the North of England Dobermann Club for their hospitality throughout the day and their kind invitation to judge at their Championship Show, it was a great honour. I know committees work extremely hard throughout the year with very little thanks, but I must say I believe this show is first class and very professionally organised. Well Done. I thoroughly enjoyed my day, a big thank you goes to my ring stewards, Keith Baldwin and Pete Forshaw who helped the day run so smoothly. A final thank you to the exhibitors for such a wonderful entry and for accepting my decisions in a sportsmanship manner.

Having not judged recently, overall, I found the breed type especially in the males to be so variable which is disappointing as these are your future breeding studs, hence my final line up not so consistent as the bitches. Heads with wide skulls, light eyes, throaty, lacking in reach of neck. Dentition needs attention, there were missing teeth, dirty teeth, and close bites. Movement erratic, many with wide fronts. Muscle tone needs attention after all this is a working dog. Many not placed today due to insufficient rib cage.
